Studio Picture Dates: April 23rd and April 24th

It's time to get ready for our 28th annual production. The Perna Dance Center has 4 performances, but most students perform in only one show. In January you will be notified in which show you will perform. Until that time, please keep all dates open. We always try our best to put all family members in the same show, but of course it is impossible to accommodate every request.

Measurements for costumes and orders must be placed in December in order to insure ship dates in time for our picture dates. Depending on style and manufacturer most costumes range between \$80 and \$85. Included in this price are all accessories needed: Capezio tights, bows, gloves, etc. In order to place our costume orders we require a \$50 per costume deposit since no costume manufacturer will cut any fabric without a deposit. *Please Note:* All Kinderdance and Combo I classes have a 2-in-1 costume and only 1 costume deposit is needed. We try to do the same for Combo II, but it is not always possible. For now, we hope Combo II will also have a 2-in-1 costume and only 1 costume deposit is needed.

\$50 per costume deposit is due by Saturday, November 14th

If deposit is late, your account will be charged a late fee. All costume deposits are non-refundable for any reason.

All costume balances are due Saturday, March 12th.

If your account is set up in the auto-payment plan and your payment has not been made in person by the costume due dates, we will automatically charge your account for the deposit on November 14th and the costume balance will come out on March 12th.

(Please return this portion of form to the PDC Office by Saturday, November 14th)
